PASTOR'S NOTES

St. Francis Cabrini Pray for us!

Dear Brothers and Sisters,

Peace and Joy in Our Lord Jesus!

This weekend we celebrate the Feast of St. Francis Cabrini, an immigrant who came to America from Italy over 100 years ago. (Her image can be found in the sanctuary of our church!) Ironically, Mother Cabrini came here reluctantly as her dream was to be a missionary in China. As God's providence would have it (and also Pope Leo VIII!), she crossed the Atlantic to America.

When she arrived, Francis Cabrini founded an order of nuns, known for their work with the poor, the sick, the orphaned, and particularly immigrants. It was a time like our own when native-born citizens, political leaders and bishops were concerned with the number of immigrants who were arriving. The outlook was even more concerning as the numbers continued to grow.

Rather than convince others of her worthiness as a new American with her words, Francis Cabrini got to work with the sisters. By the time of her death, she had founded 67 institutions to serve others not only the poor in the United States but throughout the world. She did so through the benevolence of Americans who believed in and supported her mission.

Francis Cabrini remains a patron in a complex world teeming with immigrants and refugees. In her adopted homeland, debates, long-established laws, partisan politics and Catholic social teaching are clashing. And we don't seem to make much progress at truly fixing what has been broken for decades under the leadership of both parties.

Pope John Paul II wrote about immigration, trying to balance two ideals--protecting a sovereign nation's right to control its borders while at the same time allowing people to migrate in search of work and a stable life. The Catechism of the Catholic Church states that:

The more prosperous nations are obliged, to the extent they are able, to welcome the foreigner in search of the security and the means of livelihood which he cannot find in his country of origin. Public authorities should see to it that the natural right is respected that places a guest under the protection of those who receive him.

Political authorities, for the sake of the common good for which they are responsible, may make the exercise of the right to immigrate subject to various juridical conditions, especially with regard to the immigrants' duties toward their country of adoption. Immigrants are obliged to respect with gratitude the material and spiritual heritage of the country that receives them, to obey its laws and to assist in carrying civic burdens.

For now, Christian decency is our priority at St. Bernadette as we serve many from across the globe who come to our parish and look to our St. Vincent de Paul Society for help. And lest you think that immigration in our area is confined to Central and South America, we help people from Europe, the Middle East and throughout Africa and Asia.

The challenge seems daunting today. But in her day, St. Francis Cabrini, believed that faith made resolutions possible. Let us pray for our leaders, many of them newly elected, that a spirit of goodwill can help us make progress.

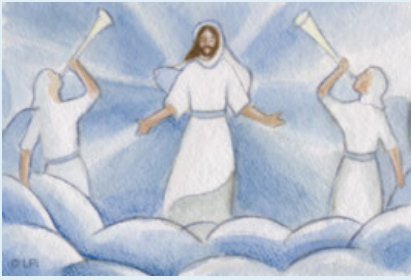

God Bless,

Fr. Don Kline, V.F.
Pastor

GOSPEL REFLECTION & SPECIAL PRESENTATION

Do you recognize the signs of God's kingdom - signs that point to his power and action in our lives and in the world around us? The Lord Jesus came to bring us the kingdom of God and to set us free from bondage to sin, death, and destruction and from the powers of the evil one who tempts us through lies and deception.

The Lord is preparing us for his return

Jesus told his first disciples that it was for their benefit that he return to his Father in heaven in order for the Holy Spirit to come (John 16:7) and fill the earth with the fire of God's love, truth, and glory. The Lord Jesus in every age fills his people with the power of the Holy Spirit so that each one of us can hear his voice, understand his truth, and sow the seeds of his word - the good news of the Gospel - wherever he sends us. The Lord Jesus is preparing his people for his return - for the day of "tribulation" and "shaking" when he will appear "coming in clouds with great power and glory" (Mark 13:25-26).

What did Jesus mean when he spoke about a time of tribulation, shaking, and the "Son of man coming with great power and glory"? The title Jesus most frequently used to describe his mission was the "Son of Man" (Mark 13:26). This title is a direct reference to the prophetic vision in the Book of Daniel, chapter 7:

I saw in the night visions, and behold, **with the clouds of heaven there came one like a son of man**, and he came to the Ancient of Days and was presented before him. And **to him was given dominion and glory and kingdom, that all peoples, nations, and languages should serve him**; his dominion is an everlasting dominion, which shall not pass away, and his kingdom one that shall not be destroyed.

The day of the Lord's return will be unlike any other moment in time, history, and destiny for the human race and our place in God's creation. Then the "stars of heaven will fall and all will be shaken" before the presence of the Lord when he comes. Then the peoples of the earth and their rulers will know who is the true King and Ruler over all.

Jesus' first coming was a rescue mission - to free the human race from slavery to sin and Satan - the father of lies. His second coming will be the final completion of his mission when he will "make all things new" - a new heavens and a new earth - after he has put down the last enemy which is death and restores our lowly bodies to immortality when death will be no more (Daniel 12:2-3).

Lord Jesus, fill me with your Holy Spirit that I may radiate the joy of your kingdom and the fire of your love to all I meet and serve. Direct my life to the glory of your name and to the coming of your kingdom. dailyscripture.net

The U.S. Supreme Court and the Future of Abortion in America (An evening with prolife attorney Nikolas Nikas) Wednesday, December 1st, 7 PM in the Gym

On December 1st, the United States Supreme Court will hear arguments in the most important abortion case in the last 30 years: *Dobbs v Jackson Women's Health Organization*. This case arises out of a challenge to a Mississippi law that bans most abortions after the 15th week of pregnancy. The *Dobbs* case has the real potential to reverse *Roe v. Wade*, the infamous decision legalizing abortion and leading to over 60 million abortions since 1973.

In a dynamic, informative and passionate one-hour presentation, longtime parishioner and prolife lawyer, Nikolas Nikas, will present the history of abortion jurisprudence in the U.S. and what it would mean, and would not mean, if *Roe v. Wade* is overturned. Nikas will have just listened to the oral arguments in the Supreme Court (online) that morning and will offer his insight into the Justices' questions and what it might mean for the future.

Nikas is co-founder and general counsel of the Bioethics Defense Fund, a public-interest legal and educational organization that creates winning arguments for life to benefit lawmakers, courts, students and citizens across the United States and abroad. Nikas addresses bioethics issues including abortion, healthcare rights of conscience, human cloning/embryonic stem cell research, eugenics, physician-assisted suicide and euthanasia.

Nikas has spoken hundreds of times to law students at such universities as Harvard, Yale, Columbia, Cornell, Stanford, Notre Dame, Arizona State, Northwestern, University of Chicago, Catholic U. and many others. He has spoken at medical schools such as Vanderbilt, University of Chicago, University of Southern California, University of Arizona in Phoenix, Louisiana State University and Creighton University. He has spoken in Italy, France, the United Kingdom, Ireland, Poland, the Republic of Georgia, South Korea, Australia, New Zealand, Mexico, Costa Rica and Trinidad and Tobago.

SERVICE SUNDAY SVdP FALL FOOD DRIVE

*Food Collected this Weekend
before and after all masses.*

*Food needs to be dropped off
in front of the School gym/Ramada driveway and
will be sorted and boxed in rooms 5 & 6 of the
Parish Hall. Volunteers will help unload your
donations.*

EVERY DONATION HELPS TO FILL A FOOD BOX FOR FAMILIES IN NEED!

Did you know that the food donated to our parish SVdP conference is given to working poor families in the inner city? Twice a month, members of our conference known as Vincentians travel down to the St. Matthew's area around 20th Avenue and Van Buren where we help the SVdP conference at that parish load and deliver food boxes to their families in need. Two St. Bernadette Vincentians go directly to the homes of the poor, deliver the food, visit with them and leave with a prayer.

Because the poor in our area have transportation and access to stores, we provide food to those in need in our area through Fry's gift cards.

Your support not only provides food assistance to the poor, but allows us to show those in need the love of Christ.

Thanks for helping us to help others.

The Gospel predicts end times; our challenge though is to live faithfully now. When we live in conformity to the Word, hearing Jesus' words and living them out, the future holds no fear for us.

When you donate to St. Vincent de Paul, know that you are hearing the words of Jesus and living them out.

Do you have a neighbor or friend who is in temporary need because of a job loss or an illness? Please leave a message for the Society of St. Vincent de Paul...we want to help. Call us at 480-905-4439.

Sunday Morning Coffee & Donuts Are Back!

Join us for Perpetual Adoration

Could you not keep watch for one hour? Jesus asked Peter in the Garden at Gethsemane (Mark 14:37).

One hour. The amount of time Christ asked Peter, James, and John to stay awake and pray.

One hour. One day a week. The amount of time needed to serve as a perpetual adorer. We still have many hours to fill!

Time slots are now available beginning on the half hour. Ask a friend to share an hour with you so that you always have a backup.

December Service Project

Ready Set Go!

Our Annual Christmas Angel Tree Party is less than a month away and work has already begun. Please join the fun!

Each December, our parish invites 200 kindergarten through third grade children of the working poor and their families to a special Christmas party hosted by our parishioners and staff. The children come from two Title 1 schools in our area and are referred to us by the school's Social Worker. The theme for the party is the Joy of the Nativity.

The party includes a meal, a gingerbread decorating station, a Nativity Puppet Show, Nativity Bingo, a Nativity Arts & Crafts Center, a Nativity Petting Zoo, Santa's Toy Shop where each child gets to select their own gift, a Nativity stocking filled with goodies and finally every child gets a new bike or scooter. All of this is made possible through your support and generosity.

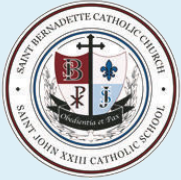

Virtual angels will be available online next weekend, November 20th & 21st and hard copy angels will be handed out starting on the weekend of November 27th & 28th.

After all masses next weekend, you will have the opportunity to donate to help us purchase the bikes & scooters.

Donors, volunteers and sponsors are needed for this event. Last year, over 200 parishioners helped make this event a success. Let's make sure we have another great year and show the joy of the season with others.

This is an event where everyone can join in and participate.
