

St. Bernadette
Confirmation and First Eucharist
Saint Form

In choosing a saint, please do some research with your child and discuss the different characteristics of the saint. Remember that the saints are guides and companions for us to pray to and in studying their lives help us to see how everyday people like us, through grace, overcame their imperfections, leading them into a life of holiness.

We want this to be a family project; therefore please do the following with your child and have them share with their RE class or their school classroom if they are Pope John XXIII students.

- Make, buy, or find a bag of some type that you can put the saint's name on.
- Fill the bag with articles that represent different aspects of the saint.
 - *For example: St. Francis of Assisi*
 - White Doves
 - Picture of him or a prayer card
 - Animals
 - Armor of a knight
 - Sign of creation
 - Sandals
 - San Damiano cross

Please have fun with your child and enjoy together exploring the life of his/her saint.
